

Treasurer's Report 2014/2015

I am afraid to report that the accounts are not in as good a shape as they could have been. This is due to lack of investment during the financial period. The lack of investment during these improving financial markets is due to me being elected to the position of treasurer in my absent and not being able to take the pee at last year's AGM.

I am however glad to announce that the pee is safe as the outgoing treasurer has held the pee for a significant length of time - before releasing it with I am sure great relief today.

I hope the incoming treasurer will enjoy taking the pee with as much joy as I have.

Here ends my report for 2014/15
